Kestrel Nest EcoHut

Turn up, turn off and tune into nature...

DISCOVER HIGHFIELD FARM & WOODLAND

Highfield Farm & Woodland is situated near Tumut, in the Riverina Highlands Region, an easy one-hour drive from Wagga Wagga.

The property uniquely combines small-scale regenerative farming with the conservation of critically endangered habitats.

Our eco-luxury farm-stay is Kestrel Nest EcoHut. Nestled in rolling farmland with extraordinary views and perched above a rocky mountain stream, Kestrel Nest EcoHut is a private bush retreat designed to reconnect guests with nature.

OUR SUSTAINABILITY PROMISE

We have an active program of environmental projects on Highfield Farm, which include the restoration of native grasslands and re-planting.

And for every booking at the Kestrel Nest EcoHut we plant a native tree/plant in both our farmland and conservation areas.

We would be delighted to show you our work via the Farming with Habitat Tour (additional cost).

ADDITIONS

Eat Our Farm

Choose from our seasonal farm-raised Lamb, Beef or Chicken. Opt for BBQ, Slow-cook, or Roast. Paddock to plate has never been closer. $25 for 2 guests, $50 for 4 guests.

Regional Produce Hamper

Enjoy the very best of our region's produce. Hamper varies according to the season but may include locally-made or grown cheeses, chocolates, nuts, apples, berries & stone fruit. $100 per hamper for up to 4 guests.

Regional Cellar

On booking, we will provide guests with a menu of locally-produced beers, wines, and ciders. We will stock your fridge for your arrival. Prices vary according to your selection.

SELF-GUIDED TOURS

Wander Bush Trails

There are 14 km of trails in our farmland and conservation areas for guests to explore.

Observant guests will see incredible birdlife and native wildlife and seasonal wildflowers.

GUIDED TOURS

Farming with Habitat Tour

Join us on a tour of our small-scale sustainable farm. Meet our Dorper Sheep, Dexter Cattle & pasture-raised Chickens. Learn about our conservation projects and how we aim to farm with our endangered habitat to provide refuge for native wildlife and to increase biodiversity.

Suitable for both children and adults.
1 hour, $50 per tour for up to 4 guests.

Bird Watching Tour

We have identified 141 different bird species at Highfield. David, our resident twitcher will introduce you to some of the bird species that live at Highfield. Includes hire of binoculars, a map and a knowledgeable bird-watching guide.

Two hours, $100 per hour, for up to 4 guests.
